

By virtue of the power in me vested, as Chairman of the Democratic Central Committee of Iron County, Mo., I hereby call the above committee to meet, to transact such business as may come before them, at the courthouse in the City of Ironton, on

Saturday, March 17, 1906, at one o'clock P. M.
By order of the Chairman.
WM. R. EDGAR, Chairman.
Attest:
ARTHUR HUFF, Sec'y.

I STILL insist that a Circuit Judge is out of place as Chairman of the State Committee, and, if the Republicans were to make such official the head of their organization, every Democratic paper in the State would decry their action. But Righteousness conquers all and justifies everything.

TRULY, my friend Albert O. Allen is of a forgiving nature, even to kissing the hand that smites. Does he remember the "Scratch Allen and Cook" editions of the Post-Dispatch sent broadcast over the State? And can he recall a single effort on the part of the State Committee in the behalf of himself and Sam Cook? Was not all else on the ticket sacrificed in behalf of Folk? Albert, I have no use for that sort of Democracy.

THE St. Louis *Censor* says of the Lewis Bank receivership: "Altogether, the remarkable exhibit made shows that the bank was not only solvent when it was forced into the hands of the receiver and ruined, but that it had a surplus above all liabilities that would run into the hundreds of thousands! For from every report made you must subtract the heavy losses of forced liquidation and the enormous fees of the receivership, a glimpse of what was given the public, when 'Brother' Spencer, the first receiver, presented a bill of \$12,000 for one week's work, not counting Sunday, for the good brother must have Sunday to lead the Y. M. C. A. meeting. Neither of these enormous expenses would have been incurred by the bank of its own accord, and this would have left it solvent and with several hundreds of thousands in the way of profits. Nor is this all of it; the affairs of the bank were in such good shape that the receiver has been able to realize on all its evidence of indebtedness. What bank in St. Louis could make so good a showing if forced into the hands of a receiver? It seems to me there should be some sequel of redress to this Lewis case. His business has been ruined and his bank destroyed, although admitted to be entirely solvent. He has suffered the greatest possible injury at the hands of the Federal government, having been denied the privilege of receiving a letter from his dearest friend or his own wife, even, during the balance of his natural life, and yet the government has never shown that Lewis ever committed a fraud. There ought to be some redress somewhere, for such a crime as this conspiracy against Lewis is shown to be. Let us suppose that Lewis did intend to commit a fraud. If action can be taken against Lewis on suppositions, what is to prevent your enemies or mine conspiring to ruin either of us? If Lewis can have his property taken away from him in such a damnable manner, where is the safety of your property?"

Now and Then

Some thorough and careful physician invents in his practice, some special medicine, that proves so universally successful whenever prescribed, that he proceeds to place it before the public to be reached through the newspapers. This is the history of Dr. Caldwell's (laxative) Syrup Pepsin. For years prescribed by Dr. W. B. Caldwell for constipation, and all disorders of liver, stomach and bowels, it was at last manufactured on a large scale, and is now the most successful medicine in the world for these diseases. A pure, scientific tonic, laxative, syrup; pleasant to take and perfect in results. Try it. Sold by Arcadia Valley Drug Co. at 50c and \$1. Money back if it fails.

The best safeguard against headache, constipation and liver troubles is DeWitt's Little Early Risers. Keep a vial of these famous little pills in the house and take a dose at bed time when you feel that the stomach and bowels need cleansing. They don't gripe. Sold by Arcadia Valley Drug Co.

Given Up to Die.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Why not let it help you? Arcadia Valley Drug Co.
